Opening scene
-Spencer enters-

Hey everyone, thanks for coming to the smith family reunion. Most of you know me as Rob. Everyone is having a lot of fun I see, and that's good. But I just wanted to share a story that I have prepared . It was about 50 years ago today actually, when I went on my first mission on the NYPD Bomb Squad. So I'll take you back to this day so I can tell you this story. My story starts outside the police station but I'll tell you about the villains first.

- there are in a rush because the police is closing in on them. They are scrambling to plant bombs and hide-

Kate: Dépêche-toi, la police se rapproche. Qu'avons-nous à nous défendre?
Ok hurry up, the police are getting closer. What do we have to defend ourselves?

Izzy: lemme Check, but i don't think I have anything. Ummmmmm.... oh! Look at this, I've been looking for these!
(Pulls out bombs) I've got some bombs, I must've left them in my bag from last week!

Kate: Bien, alors. Mettons-les autour et puis se cacher
Alright then. Let's put them around this apartment room and then hide

Izzy: Ok sounds good. Here take these (hands Kate bombs)

-Sam and Isobel enter the scene-
-Sam's first day of work-
-Isobel welcomes Sam to the job-

Isobel: hey guys, you must be rob and Thomas. Welcome to the squad. Here, I've got your gear, go ahead and put them in the back.

Isobel gives them their jackets, equipment and badges -

Sam: Awesome thanks

Calum: Ugh it's heavy

Isobel: Yeah that's because it has our bomb seeking rover. You said you specialized in electronics?

Calum: yeah...

Isobel: Then it should be easy to use. I've got to go, see you later

(ALARM GOES OFF)

Calum: What's that?

Isobel: That's a code red! We don't have anyone else on duty, and you guys scored really well in the academy, so, guess what, it's your first mission. Get in that squad car and they will brief you on the way. Go, go, go!

Sam: Thomas, let's go!

-Scene change to building-

Spencer walks in, Izzy and Kate are hiding in maze -
