

Group: Alicia, Cooper, Fraser, Gwen

Criterion	Assessment (☁️☀️☀️🌈100)
Video helped you understand the Canadian government.	🌈 had lots of good information and gave many supporting details.
Video was well-produced.	100 added many good points and had a beginning middle and end, conclusion was really good.
Video was engaging for high school students.	🌈 the images and media used as well as transitions kept me interested
Presentation was smoothly executed.	🌈 Showed passion about each topic showing more emotion.
Presentation was engaging for high school students.	100 I really liked the way it was set up and kept me interested.
Presentation was effective at encouraging you to vote.	🌈 Showed the benefits I would get and how important it is.

Feedback:

- Loved the hook in the beginning with "TODtalk"
- Video is really well produced, the ideals and transitions look really good and keep me engaged, just turn down th volume of the music a bit.
- Add more transitions in the actual presentation, from video to Cooper, to Alicia, and to Fraser.
- Love the enthusiasm!
- Had good characters and showed more of a performance then a presentation, keeping audience engaged.
