

## The Book of The Lion: Literacy Plan

**1. Do you consider yourself *quick reader* or *slow close reader*? Why? What Evidence do you have? Be honest, but not hard on yourself! (I am a slow and steady reader!)**

I consider myself a quick reader. I can get really really involved in a book, and just read for a really long continuous time. I do like analyzing books that i have already read, so I read a bit slower when I am doing that.

**2. What *types of books* have you enjoyed reading in the past? Why? What do you like about them?**

I really, really, really like YA books. At the moment, I am really into books that feature a LGBT main character. I also really like feminist non-fiction!

**3. What *time of day* will you read your book? Be as specific as possible. You will have to read on the weekends too, will this time change everyday?**

I like reading before I go to bed, so I will do some reading then. I also have a lot of ringette coming up, so I will have lots of time to read in the car, and before games and practices.

**4. How *long* will you read for?**

It sort of depends on the length of the chapters. I think it would take me between 10-25 minutes to read two chapters.

**5. How will you *remind* yourself to read?**

I will use Things, and also just remembering to read before bed.

**6. What *techniques (at least 3)* will you use to comprehend what you are reading?**

I like to highlight stuff, listen to music without lyrics, and take notes!

**7. Who is your *accountability* partner?**

I have picked Ms. Maxwell as my accountability partner. I think that she will help all of us in the class stick to our deadlines for this project.
