

The United Party of Canada's Statement of Intent

Stronger United

Promises

- We promise to make Canada a place where everyone feels equal
- We promise to introduce election reform to make the people of Canada's views heard
- We promise to bring Canada's climate action to it's full capability
- We promise to redistribute how Canada's wealth is gained and given back to the people
- We promise to support Indigenous peoples land, laws, and policies
- We promise to make post-secondary education available for everyone
- We promise to fund more sustainable public transit
- We promise to introduce ethical mental health support for all communities

Values

- Following through with our promises with a concrete plan to back them
- Positive change
- Truth in the government
- Our Future
- The Power of Knowledge
- Extended Government support towards the mental health of our citizens
- Healthcare
- A unified Canadian mindset and worldview
- Cooperation and strength within our nation
- Keeping the long-built knowledge that we as Canadians have for our nation

Priorities

- We will unite the citizens that we can advance the values that hold our people and our country from flourishing
- Put all feet forward to create a green, eco-economic nation
- We will introduce affordable housing using government land, estate, and create efficient and sustainable public transit
- We will create a green economy with incentives to use green energy like public transit and renewable energy
- Stopping all government subsidies for non-renewable sectors that don't directly help the environment
- Spark a curiosity and appreciation for the natural world in the younger generations
- Educate our citizens on the importance of the environment
- Make Canada a place where we value hard work, feel proud of our government, and have the right to live a life of their choice
- Make First Nation languages a mandatory part of the curriculum in schools nationwide
- Radical change in un
