-Everyone runs around with ribbons/silk to signify shrinking machine and the backdrop spins around to reveal the other side-

Part Two: The Micro world

Daniel: (Cyrus) **Wakes up**

Daniel: (Cyrus) “Where am I? What just happened?”

-Two guards walk on to the set-

Jasper: (Guard One) “Halt who goes there, we are the royal knights of Sir Low, the king of our world.”

Daniel: (Cyrus) I’m standing still idiot.

Brooke: (Guard Two) “Disrespect huh? You’re coming with us!”

Daniel: (Cyrus) “But why? I don’t even know how I got here!”

Jasper: (Guard One) “Sure, Giant”

Daniel: (Cyrus) To audience: “What did he mean by that?”

-The Guards drag Daniel (Cyrus) to the castle-

Part Three: The Meeting of the King

Chris: (The King) “Who is this peasant you bring me?”

Jasper: (Guard One) “We found this guy outside, I think the machine worked”

Chris: (The King) “The machine worked!? You Giants won’t terrorize us anymore! But beware, I’m not done with you just yet.”

Daniel: (Cyrus) “I’m not a giant!”

Chris: (The King) "Not anymore! We shrunk you"

Daniel: (Cyrus) To audience: "That explains how I got here"

Chris: (The King) "Put him in the dungeons!"

Daniel: (Cyrus) NOOO

-Guards drag Cyrus into the centre stage where they put the prison bars in front of him. Skye sneaks into the corner.

Part Four: The Prison

Daniel: (Cyrus) "What a fine mess I've got myself into"

Keira: (Skye) "He will fall eventually"

Daniel: (Cyrus) "Uh.. who are you?? My name is Cyrus."

Daniel: (Cyrus) "And... how on earth, or wherever I am, am I going to get out of here?"

Keira: (Skye) "I am Skye, you probably will stay here for the rest of your life before being executed."

Daniel: (Cyrus) "Wait! Can you explain why people hate me here?"

Keira: (Skye) "Whenever you giant people walk near our world it creates massive earthquakes. The King built a shrinking machine to sort out the problem. Whenever someone would cause an earthquake he would shrink them and execute them. The same will go for you. He is really evil and nothing changes his mind."

Daniel: (Cyrus) What? That's not fair! How was I suppose to know that I was the problem!

Keira: (Skye) "Exactly. This isn't the first time our King has been so unfair like this"

Daniel: (Cyrus) "I think we should overthrow him"

Keira: (Skye) "And maybe we could reverse the shrinking machine and return you to your own world"

Daniel: (Cyrus) "Great, but we need a way out of here"

Keira: (Skye) *unlocks the door*

Daniel: (Cyrus) "How the did you?.. I'm not gonna question it"

Keira: (Skye) "Oh, I only stay here for the free prison food. It's actually quite nice compared to what the rest of this town gets."

Daniel: (Cyrus) "uh... okay?"

Keira: (Skye) "Come on, lets go start a riot"

*-Skye and Cyrus leave the room**

Part Five: The Revolution

-The king is chilling in his throne room-

-Suddenly, an angry mob of human beings bursts through the door-

Chris (the king) "What... what are you doing?! Who let you in?!"

Keira: (Skye) "Give up your crown! You aren't worthy of being our leader!"

Keira: (Skye) "Your era of torment is over!"

Chris: (The King) "Guards, take them away!"

-The Guards approach the mob-

Francis (Citizen two): "Wait! Join us instead! How much does he pay you?"

Brooke: (Guard one) "well, nothing..."

Francis: (Citizen two) "See?"

Seth: (Guard two) "You're right! That's essentially slavery! Why didn't we realize this?"

Keira: (Skye) "well you have now"

-The guards turn towards the king. The king then runs up onto a tower where the shrinking machine is locate-

Brooke: (Guard two) "Oh My God! That's the incredibly tall tower that would kill anyone who fell of it!"

Chris: (The King) "well, dang. I think I tripped"

the king falls off the fake tower

Daniel: (Cyrus) wait! What's that big red thing?

(Guard 2) its a portal to your world. Whoever touches it will get transported back into your world.

Daniel (Cyrus) "ok now I can return to my original size"

-Cyrus touches the machine, and it makes him his usual size-

-The gem also gets destroyed due to it being used too many times-

Everyone runs around with purple and blue silk then runs off stage and the backdrop spins around again to reveal the mall

Daniel: (Cyrus) "I should take this home so they don't get earthquakes anymore"

-Daniel steals pot and runs off stage-

-Everyone yells time (even the people offstage) and we all go back onstage and bow.-

The end...
