

# TERRIFYING TALES OF THE TAPEWORM!

THE VIRUS'S HAVE A PROBLEM

WHENEVER WE  
ATTACK HUMANS,  
WE ALWAYS  
LOSE!

WE START BY  
ATTACHING TO A  
HOST CELL, AND  
REPLICATING.

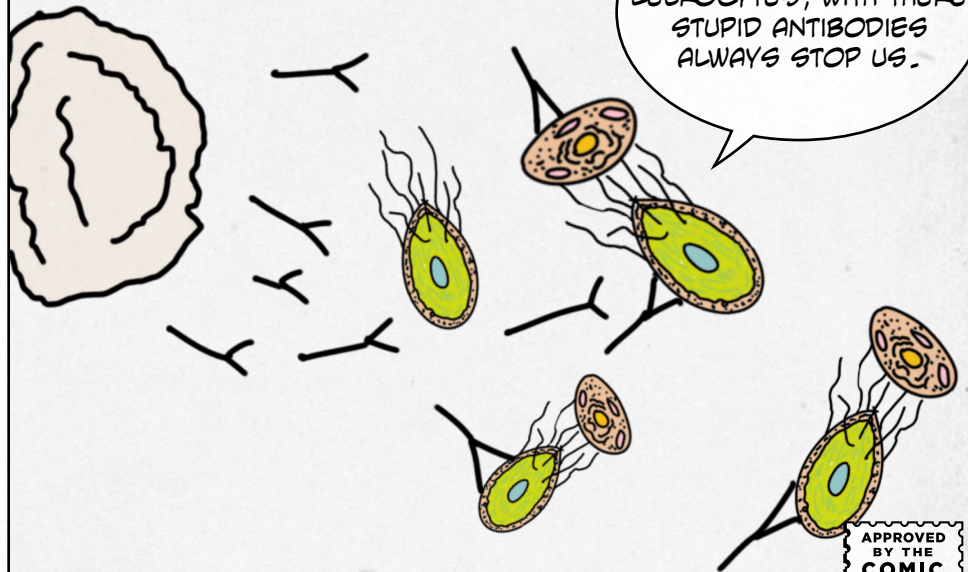

AFTER A BIT, WE  
HAVE AN ARMY!

THINGS ARE  
GOING GREAT...

BUT THEN THE  
LEUKOCYTES, WITH THERE  
STUPID ANTIBODIES  
ALWAYS STOP US.

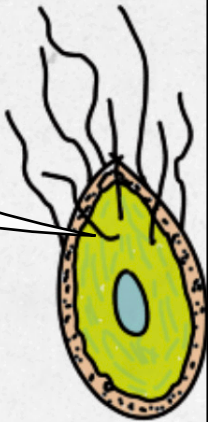

APPROVED  
BY THE  
COMIC  
LIFE  
AUTHORITY

BUT YOU SEE,  
I'M NO VIRUS.  
I'M AN INVASIVE  
INFECTION!

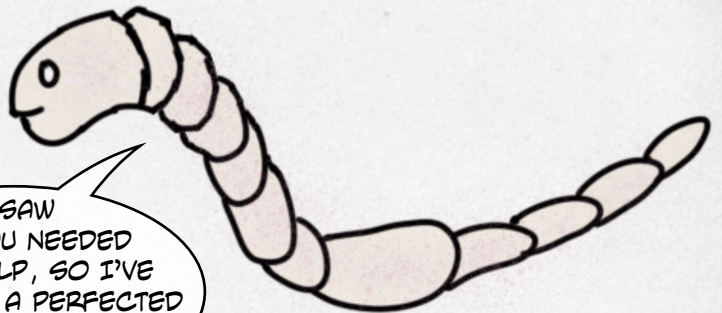

IT'S ME! THE  
TAPE WORM.  
ALSO KNOWN AS  
CESTODA!

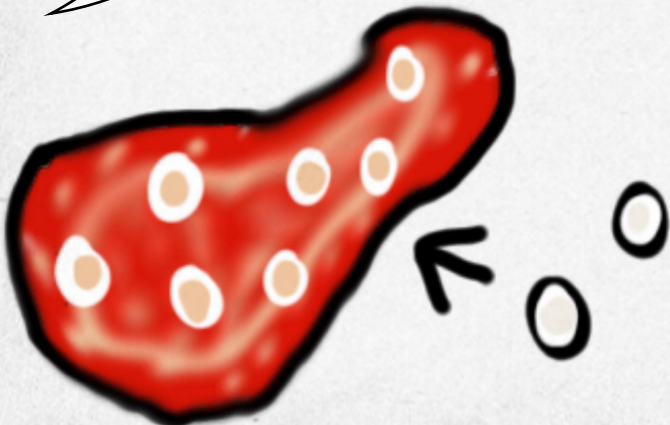

WHO SAID THAT?!

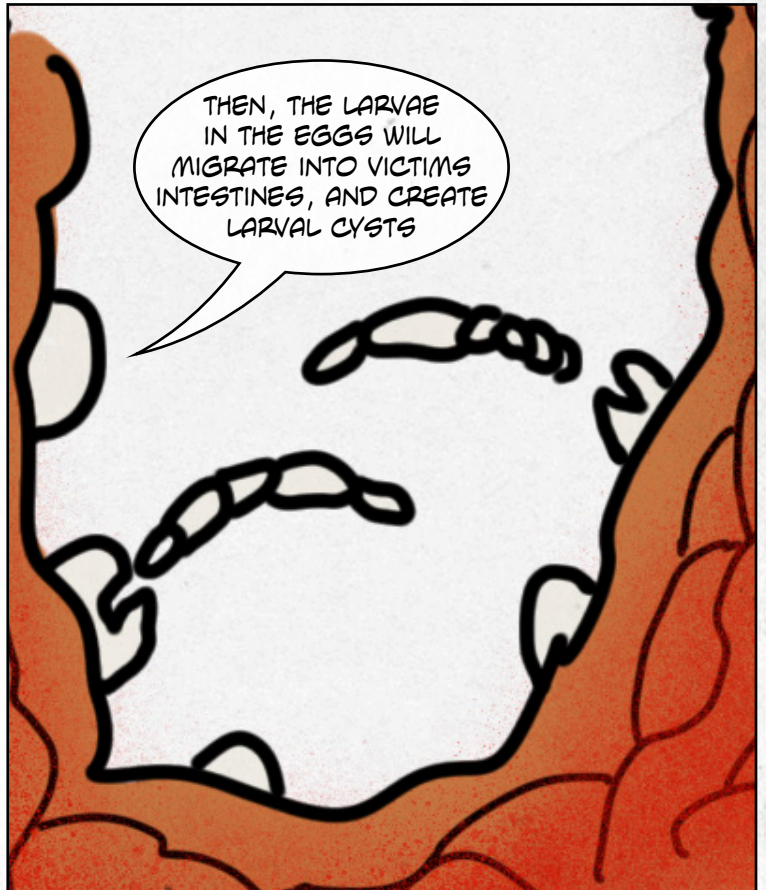

I SAW  
THAT YOU NEEDED  
SOME HELP, SO I'VE  
BREWED UP A PERFECTED  
PLAN TO TAKE OVER THE  
HUMANS!

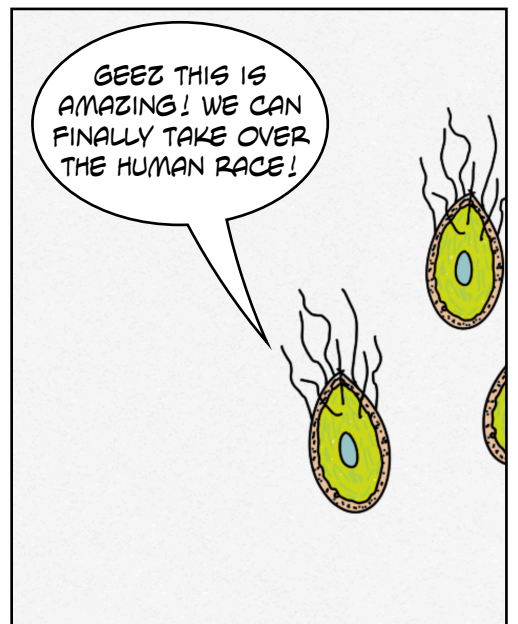

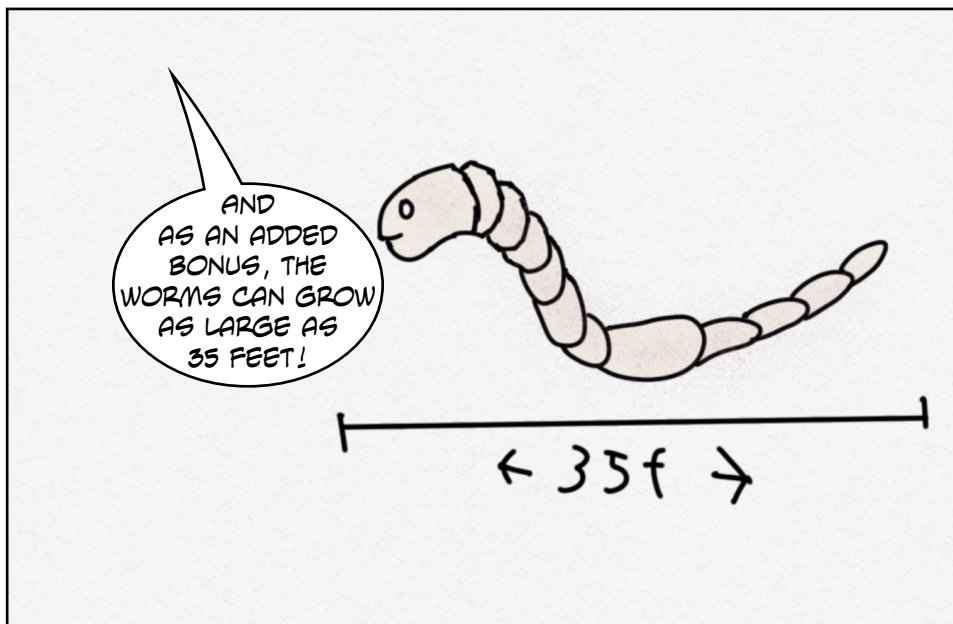

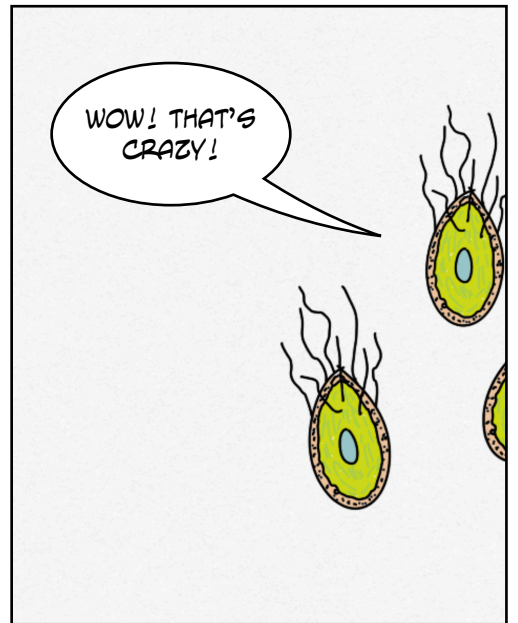

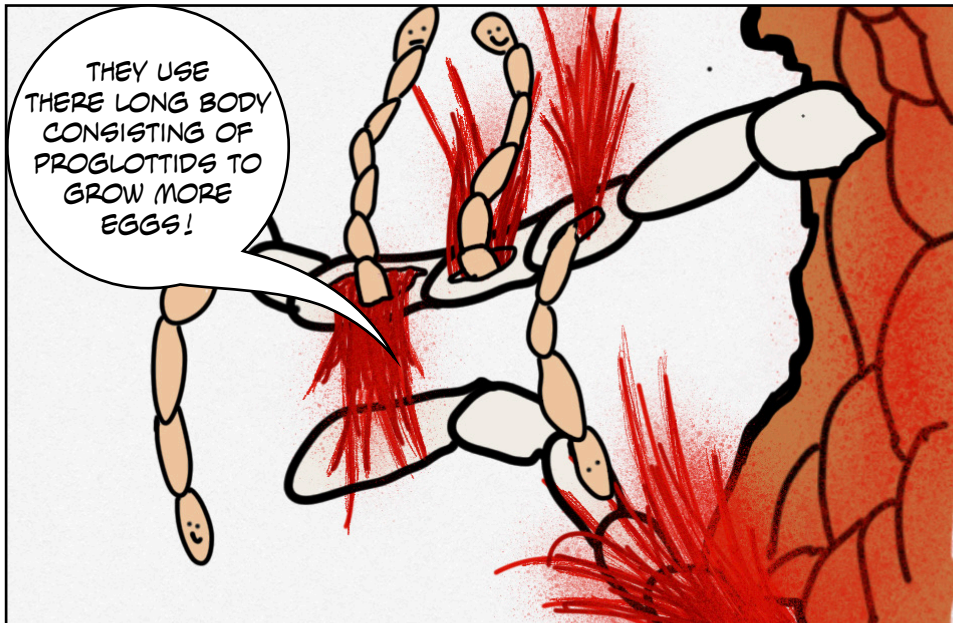

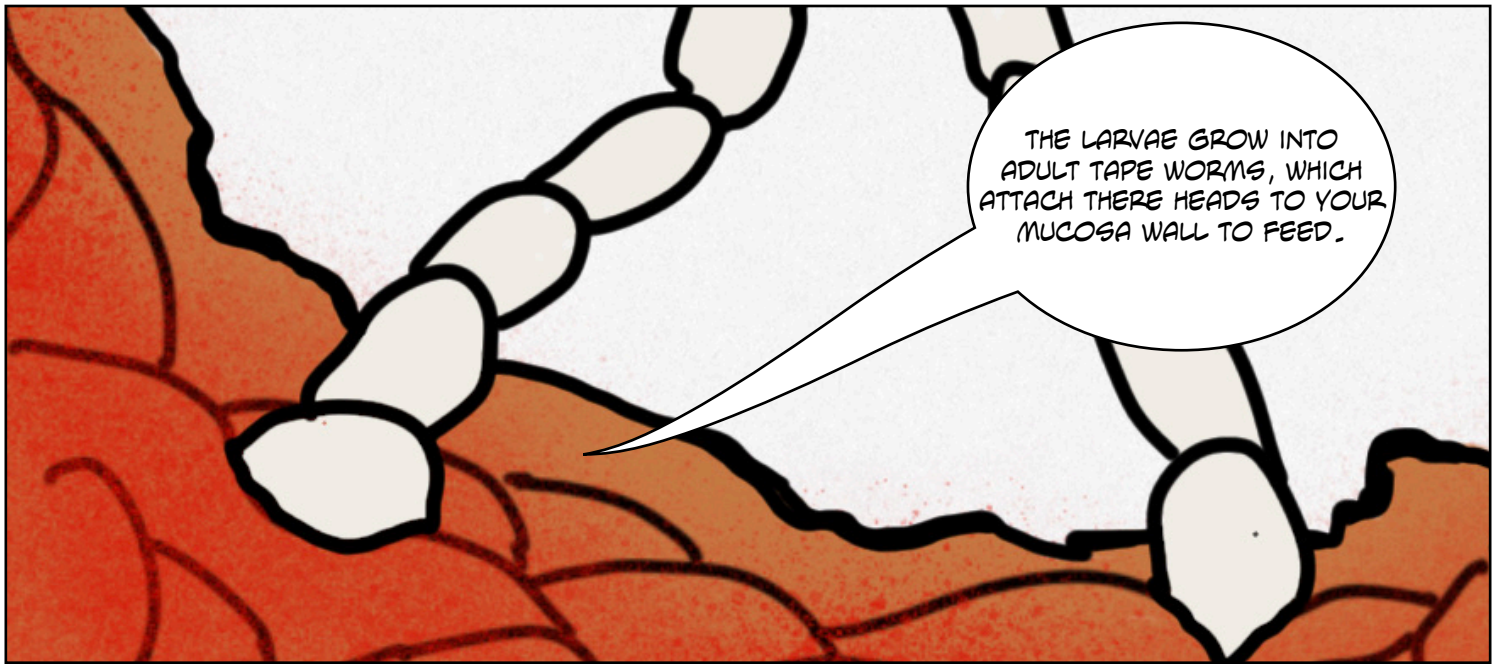

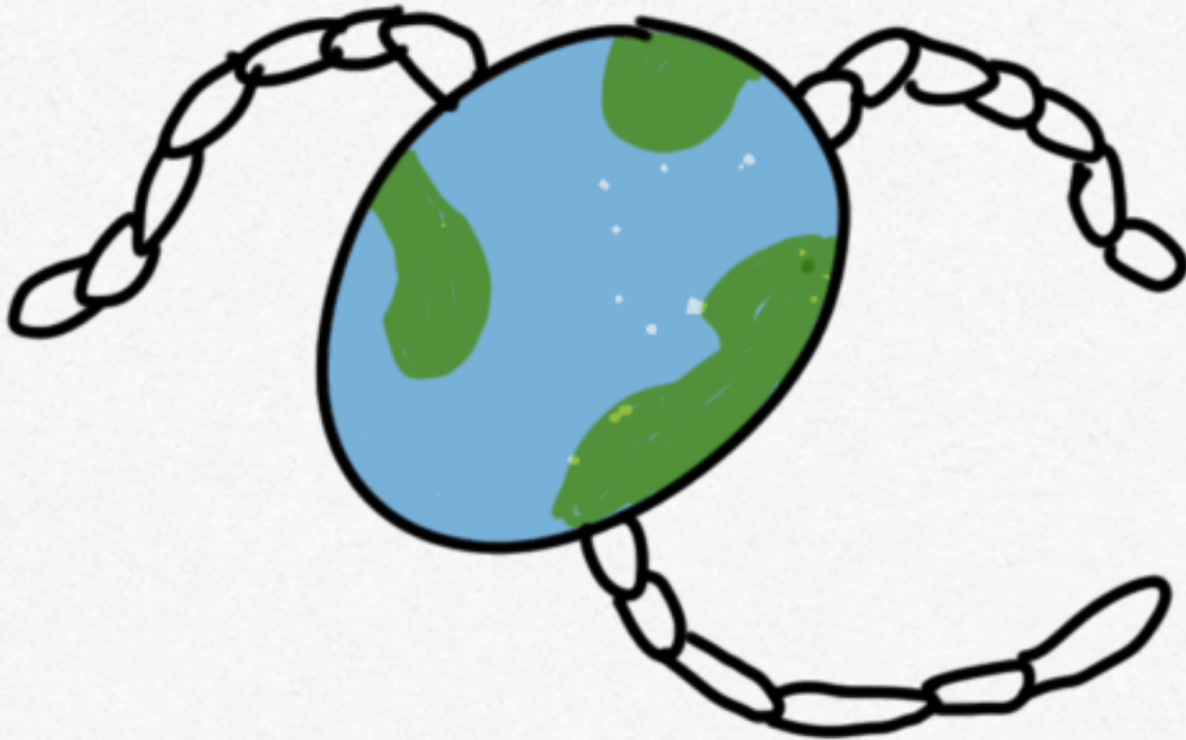

FIRST, MY  
MICROSCOPIC EGGS WILL  
GROW IN RAW MEAT, FOR  
SOME UNLUCKY HUMANS  
TO EAT.

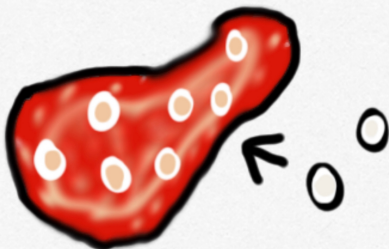

THEN, THE LARVAE  
IN THE EGGS WILL  
MIGRATE INTO VICTIMS  
INTESTINES, AND CREATE  
LARVAL CYSTS

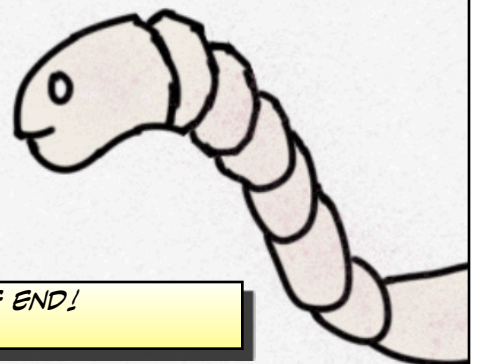

SO OFF THE TAPEWORM WENT, INFECTING MORE AND MORE PEOPLE, GROWING MORE AND MORE WORMS INSIDE PEOPLES INTESTINES, UNTIL THE ENTIRE HUMAN RACE WAS INFECTED.

AND THIS COULD HAVE ALL BEEN AVOIDED BY NOT EATING RAW MEAT.

THE END!
