

Evaluation Guide for Science & Safety Poster

Student's *First and Last* Name : _____

Your overall Assessment: _____

EXTENDING 4 EE	APPLYING 3 ME	DEVELOPING 2 AE	BEGINNING 1 NYM
The poster uses all available space (and more) to fully display the information	The drawing and other poster content completely fills an 8.5 x 11 piece of paper (min. size)	The drawing and other poster content does not use all the available space on the 8.5 x 11 page	The drawing and other poster content was not done on the 8.5 x 11 paper as required
Very creative in the use of space, graphics, and images to draw in the audience	The poster "catches your eye" – using colours / graphics / or some other way to make it interesting	The drawing lacks colour or other details or is not vivid enough to draw attention or interest	The drawing is done only in pencil and is difficult to see from far away
Chosen Lab Safety rule is evident and portrayed very clearly and thoroughly and uniquely	The Lab Safety rule that was chosen is evident in the final product	It is difficult to determine exactly what the poster is representing – the chosen Lab Safety rule is unclear	There is no clear indication of any particular Lab Safety Rule in this poster
Does not distract from chosen rule, but rather enriches it	The poster clearly depicts the chosen Lab Safety rule	The poster does not directly refer to the chosen safety rule	The poster does not at all relate to the chosen safety rule
Exemplary job at presenting the associated hazard	Accurately describes the associated hazard	Somewhat describes the associated hazard	Does not effectively describe the associated hazard
Very creative way to demonstrate the danger and proper behavior associated with this scenario. Adds EXTRAS such as WHMIS SYMBOL.	Clearly demonstrates why the scenario is dangerous, showing what NOT to do OR how to properly act in that situation	Somewhat demonstrates why the scenario is dangerous, showing what NOT to do OR how to properly act in that situation	Does not effectively demonstrate why the scenario is dangerous, nor how to properly act in that situation
	Student's first and last name appears on the front or back of the poster	Student's first (only) name appears on the front or back of the poster	Student's name does not appear on the poster
	Poster was handed in at start of class on the due date	Assignment not submitted at start of class on the due date	Assignment not submitted

HAND IN this EVALUATION GUIDE when you submit your poster.
