Jessica's friend (on phone voice over): Girl are you sure...I don't think you should do this. Just leave while you have the chance.

Jessica: Ok maybe your right...should I just leave. He's going to be here soon.

Rowan overhears and mumbles to himself: Shoot maybe I shouldn't go..maybe im not good enough.

Jessica to her friend on the phone: Hey I gotta go ill talk to you later.

Jessica: Rowan? Is that you?

Rowan mumbles to himself: Well now or never I guess

Rowan fully walks up stairs instantly falling in love: your even prettier in person. I think your the one

Jessica: me too, but we could never be together. Unless you switch schools - join me.

Rowan: I would, but I can't. I am a public school student and I can't afford private school.

Jessica: well, then turn off your snap map so were not seen together.

Rowan: yes, then will you be my girl?

[Jessica nods]

[Rowan takes Juliet's hand and they walk down the stairs and leave]
