EXT. FACTORY - NIGHT

At a factory with SEBASTIAN while he is going into a room,
in original form.

SEBASTIAN

Hello?

SEBASTIAN (CONT')

(While walking up to a
pool in the centre of
the room)

Anyone there?

Sebastian walks up a ladder and into this pool, that we can
now see is full of a cotton like substance. He falls into
it.

NARRATOR (V.O)

Sebastian has now become, THE FIRST
KINOGY.

JUMP TO:

Sebastian is halfway up a chimney, trying to keep stolen silver in his pockets. 40 years later flashes across the screen.

Sebastian emerges from the top of the chimney and looks around.

SEBASTIAN

Good lord! That's a strong smell,
pew, those factories suck!

NARRATOR (V.O.)

Sebastian is going home, or rather
he's going to find a roof to sleep
on, and meet up with his friends.

LORENZO

I think our friends have been
kidnapped!

SEBASTIAN

The factories! They love stealing
poor people off of the streets!

We look around, and focus in on a factory.

NARRATOR (V.O)
Sebastian and Lorenzo are now
planning, thinking.
