

User Guide: Rasmussen

Brand: PLP student, Student, Friend
Model: Max Rasmussen, IOS 1.3

Product Guide

Congratulations on your new PLP student, Friend Max Rasmussen 1.3, otherwise known as “Maxypoo” or “Muffin Man”. Your new outdoor fanatic comes with functions including, but not limited to the following:

- He is the early bird
- Watches sports whenever he can
- Enjoys planning ahead
- Loves being outdoors

Getting Started

Before you access Rasmussen 1.3 you must know to be aware at all times of his “imaginary pitching windup” he will do it right in your face.

Accessibility

You can mainly find Rasmussen at his house, however only few actually know where that is. Max Rasmussen 1.3 isn't a regular user of social media and is never very accessible virtually, and seems to ignore a lot of Snapchat's and Instagram direct messages. However if you are up for a venture, you can contact Rasmussen at maxr@seycove.ca, hopefully since it's his school iPad contact he will answer faster. He's known for being out with his neighbours causing mayhem out on the water, and for being at home watching sports.

Settings

Rasmussen 1.3 has 2 primary settings, Sport Fanatic, Thinker

Setting 1: Sport Fanatic

This device spends a lot of time in this mode, from being at home playing catch with his dad to playing organized sports with his friends. He really enjoys following his favourite teams and feels that he receives plenty of motivation from different players in sports. Furthermore, he loves to read about different stats in sports. Overall, he loves the competitiveness of sports and finds it to be his favorite pastime.

Setting 2 : Thinker

There's not one tough thing that Max Rasmussen 1.3 can do without thinking. He has a weird tendency to need some sort of reassurance before doing anything. He's the type of person that looks at the big picture. Furthermore, this device is prone to extreme overthinking.

Warnings

This device may.....

- Completely misinterpret instructions
- Fall into tears if someone brings up the 2011 Stanley cup final 🏒
- Be extremely impatient at times 😡

Troubleshooting

Problem	Solution	Problem	Solution
Problem: You are a Boston Bruins fan.	Solution: Max has a little chat with you in the parking lot.	Problem: You give me directions for something.	Solution: I ask you again cause I didn't understand.
Problem: You text me with a question.	Solution: I will try to get back to you ASAP.	Problem: You assign Rasmussen homework for the night.	Solution: He tries to get it done ASAP But he always seems to finish it last moment.

Tendencies

- Will play sports by himself
- Socializes with neighbours
- He fake punches others
- Always flips his hair back

Tips to Maintain Optimal Performance

- Watch or play sports with Rasmussen    
- Feed with a nice juicy burger 
- Avoid annoying 
- Give good shoulder massages
