

# Blank Project Plan Documents

## Deliverable Requirements Planning Chart

(Make copies as needed)

Deliverable: Three separate Quest Items

Relates to which part of the Challenge: The 3 items for the final tool

Responsible team members: Sabrina

Deadline: February 10

REQUIREMENTS DEFINED BY THE CHALLENGE	REQUIREMENTS DEFINED BY THE TEAM
Include three items that make up the final quest item	Could be something like a crossbow
Has to be one item only	Could maybe be a time machine
The quest items have to be somewhat connected	Their has to be challenges in order to achieve
Special ability and special ability can't be the same item	
The three items are defined as quest items	

**Notes about this deliverable:**

The more technical and connected the three items are the more points we will earn
