

ART GALLERY - DAY

CLASSICAL MUSIC begins and a PICTURE OF ART appears, a few seconds later a title appears saying:

SABRINA/NARRATOR
What is considered art?(V.O.)

As the NARRATOR says the line below a montage of paintings starting from the the least recently painted to the most recently painted, CLASSICAL MUSIC should rise in volume or become more dramatic.

SABRINA/NARRATOR
Art has been considered many different things and has changed through the years(V.O.)

CLOSE UP Photos of MACHINES appear such as COMPUTERS, LAPTOPS and IPHONES

SABRINA/NARRATOR
Many of these changes recently have occurred in the late 1900s and the early 2000s (V.O.)

DISSOLVE TO:

SEYCOVE - DAY

The camera is focused on PERSON BEING INTERVIEWED #1, CLASSICAL MUSIC stops, UPBEAT/RETRO LOFI music begin

SABRINA/NARRATOR
Do you think there are any benefits to technology and art intersecting and if so, what are they?

PERSON BEING INTERVIEWED #1
(Response not yet given)

DISSOLVES TO:

TIMELAPSE/SCREEN

A Timelapse of drawing of the AARON machine is shown

SABRINA/NARRATOR

The first use of the term "digital art" was used in 1980s, this term of the time was used to describe AARON, a machine that could create its own paintings(V.O.)

DISSOLVES TO:

GRAFFITI WALL IN CITY - DAY

LANDSCAPE SHOT, you can see Sabrina/Narrator walks past the wall with a BAG

DISSOLVES TO:

BEACH - EVENING

Sabrina/Narrator is on shore of the beach, she brings out her SKETCHPAD and IPAD and stares out to the distance

The camera cuts to the HORIZON

SABRINA/NARRATOR

Having iPad has helped many artistic people be able to draw anywhere without having to bring their materials with them (V.O)

The scene than cuts to a digital drawing of the horizon

DISSOLVES TO:

SABRINA'S HOUSE - DAY

Camera recording WATERCOLOUR PAINTING being created with TIME-LAPSE

SABRINA/NARRATOR

The digital medium makes it easier to fixing mistakes in art(V.O.)

Scene cuts to a flip book in SLOW-MOTION

SABRINA/NARRATOR

An example is in animation, since before they had to draw everything by hand(V.O)

Scene cuts to procreate animation, specific tools are used such as COPY, PASTE and OINION SKIN

SABRINA/NARRATOR

Animation programs has tools such as copy, paste and onion skin to make it much easier and faster for animators to create an animated video(V.O.)

DISSOLVES TO:

CITY - DAY

A montage of different advertisements appears

SABRINA/NARRATOR

An IBISWorld report in 2013 showed that the online art sale in the Untied States costs \$835.4 million(V.O.)

When Sabrina/Narrator states \$835.4 million, the words "\$835.4 million" shows up on the middle of the screen

DISSOLVES TO:

ART STORE - DAY

Screen cuts to art supplies, camera moving side ways slowly, UPBEAT/RETRO LOFI changes to CHILL ACOUSTIC GUITAR

SABRINA/NARRATOR

Technology has allowed for artists to sell their art to a winder audience and do it independently (V.O.)

DISSOLVES TO:

CITY - DAY

A landscape shot of huge advertisement

SABRINA/NARRATOR

The new age of advertisements
popping up on your phone helps
artist sell their work. It also
allows for customers to know when
that artist has a new product
(V.O)

DISSOLVES TO:

ART GALLERY - DAY

Camera is focused on PERSON BEING INTERVIEW #2

SABRINA/NARRATOR

Has technology allowed the process
of art to be faster or easier?

PERSON BEING INTERVIEWED #2

(Response not yet given)

DISSOLVES TO:

SABRINA'S HOUSE-DAY

A painting and an iPad are side by side on the ground

SABRINA/NARRATOR

Even though there is great deals of
benefit from technology, there is
still the question if we should be
moving for more technological
created art instead of sticking
with art made by hand(V.O.)

SABRINA/NARRATOR

A study in 2019 by State of Art
Education showed that 52.2 percent
of art want to inquire the
knowledge of how to teach digital
art effectively(V.O.)

Once the word 52.2% is spoken, the number should show up big
on the screen. Scene changes, 52.2% are removed from the

screen and camera records a video of TV playing a modern cartoon

SABRINA/NARRATOR

However, 21.1% says they would be able to teach a class about digital art(V.O.)

When the words 21.1% are said, they should show up on the screen

DISSOLVES TO:

ART GALLERY-DAY

Montage of the different paintings, each painting should be different from another and if possible have different style of painting. An example would be painting techniques such as oil, ink, watercolour

SABRINA/NARRATOR

Traditional art allows you to use different materials that have different rules for what you can do with them(V.O.)

Video of a long painting, the camera should slowly reveal how big this painting is by the CAMERA PERSON moving backwards with the camera, CHILL ACOUSTIC GUITAR should change to ORCHESTRA

SABRINA/NARRATOR

Traditional art is also can be classified as one of a kind and difficult to replicate(V.O.)

Scene changes to landscape shot of 5 or 4 art pieces

SABRINA/NARRATOR

Should digital or traditional art be seen as more important than the other?(V.O.)

DISSOLVES TO:

SEYCOVE - DAY

The camera is focused on PERSON BEING INTERVIEWED #1, giving response to the question being asked at the BOTTOM OF PAGE FIVE

PERSON BEING INTERVIEWED #1
(Response not yet given)

Camera moves to the ceiling of Seycove Secondary, specifically the painted parts of the ceiling, then to the computer room

SABRINA/NARRATOR
Even though art is moving towards being more technological, we don't have to give up one for another. We can use them both to create one product(V.O.)

DISSOLVES TO:

SABRINA'S HOUSE - DAY

Camera is focused on desk, on the desk there are drawings of ORIGINAL CARTOON CHARACTER, multiple designs of this character are shown

SABRINA/NARRATOR
Many people who work as an artist mainly focus on both traditional and digital. This can be seen with animation studio creating concepts of character on paper, traditional artists planning out their painting digitally.(V.O.)

Camera that focuses on fully colour drawing of one of the designs of that cartoon character

Scene changes to camera focused on a computer, the screen computer shows ART FORUM

SABRINA/NARRATOR
Thanks to our devices we are able to talk to someone half way across the world. This allows artist to get criticism on their artwork and ask advice for any type of art(V.O)

DISSOLVES TO:

ART GALLERY - DAY

CLASSICAL MUSIC played on PAGE 1 at the very top starts again, the painting that showed up on PAGE 1 appears again however, in a more landscape shot

SABRINA/NARRATOR

Even though we are moving away from traditional art, we can't stop art from developing into different styles and new creative artists creating a named for themselves. No matter digital or traditional(V.O.)

Screen goes to black
