**Brand: PLP student**

**Model: Zachary Veitch, IOS 1.3**

## PRODUCT GUIDE

Congratulations on your new PLP student, Zachary Veitch, commonly referred to as “Zach” by fellow PLP students. Your new student comes with functions including, but not limited, the following:

- over excitement and enthusiasm about gaming and naruto
- Making quick and witty jokes at the right time that will make you laugh
- giving people honest comments on their work

## GETTING STARTED

Before you access Zachary Veitch for the first time, you will need to make sure that you have brought your iPad set up and ready to use. Your Zachary Veitch will respond happily to users who follow his previous directions!

## ACCESSIBILITY

Zachary Veitch is very easily accessible during the day. As one of the many kids with phones and iPads, you can usually find him peering closely at his iPad Pro screen at his desk. If you cannot reach out to him, try one of the other accessibility modes detailed next.

After school, he can be reached via email at [notyour@consern.ca](mailto:notyour@consern.ca), iMessage at [notyour@buisness.ca](mailto:notyour@buisness.ca), phone at --- --- --- or Snapchat at a snapchat name. Zachary Veitch will usually respond within 10- 30 minutes but if he doesn't then he is probably busy gaming on his pc at home or out with friends.

Zach is a heavy user of social media. You will find him as a user on Snapchat, Instagram or Twitter. He will give you a follow back if he knows you in one way or another.

## SETTINGS

Zachary Veitch has three primary settings: regular person, gamer or naruto/Seinfeld fanboy

## 1. REGULAR PERSON

In regular person mode, you may see Zachary Veitch in the community. He does occasionally leave his house, mostly to go see friends or go to the candy store at the deep cove. If you encounter him in these situations, feel free to approach him and say 'hey'. Or just text him if he doesn't see you too.

## 2. GAMER

When Zachary Veitch is in this mode, it is very hard to reach out to him because he will be very concentrated on the game. He usually is playing among us on his iPad, Minecraft on his pc or NHL 19 on his ps4.

## 3. NARUTO/SEINFELD FANBOY

When Zachary Veitch is in this mode, it is very hard to reach out to him just like in his gamer mode because when Zach is watching those tv shows, he is not easily distracted because he has a passion for those two shows in particular.
